Hunter Is Shot On Closing Day Of Deer Season

Wild Shot Shatters Gun, Wounds Arm Of Nimrod

The only major hunting accident in this district was reported Saturday when Jackie Barnard, 24, San Leandro, was shot in the right arm while hunting near Hobart Mills.

Barnard was in a prone position with his rifle ready when an unknown hunter, not far distant, shot, the bullet striking Barnard's rifle, ripping the stock and shattering the firing mechanism. Pieces of the gun as well as the bullet pierced the flesh on his arm but fortunately the bone was not broken.

Deputy Sheriff Fosten Wilson, who investigated, said the person who fired the shot did not put in an appearance and is unknown.

Barnard was hunting with his father, Lester Barnard, who was near his son when the accident occurred.

Following emergency treatment by Dr. L. D. Nelson, the wounded man was taken to a Reno hospital where the gun particles and bullet were removed from his arm.

Youths To Face Trial for Murder On November 8

November 8 has been set as the date for the murder trial at Redding for Robert Sturm, 19, Orland, and James David McKay, 18, of Sacramento, charged with killing two sheriff's deputies from Shasta County while the latter were returning the youths from Seattle as escapees from a Youth Authority camp.

Following the murder of the deputies, Earl Sholes and Daniel Heryford, the two youths were captured near Truckee by Patrolmen William Gautsche and George Schrom of the highway patrol.

At the time of their arrest, Sturm and McKay readily admitted their guilt, officers said, but have since entered innocent pleas and a venire of 100 has been called for the selection of a jury.

Judge Benjamin C. Jones of Lake County will preside at the trial, Judge Albert F. Ross of Shasta having been barred after defense attorneys filed a writ of prohibition which was upheld by the third district court of appeal.

He is also employed by the local school system. Mr. and Mrs. Elmer Miescke of San Jose are his parents.

Forest Fires In This District Are Under Control

Vigilance Is Maintained As Woods Remain Tinder-Dry

Three forest fires which were burning in this area over the weekend are under control, but because of the tinder dry condition of the brush and forests, officials are continuing to urge that extreme care be used to prevent more fires.

The blaze which destroyed more than 30 acres of heavily wooded area in Euer Valley was finally controlled Sunday after several fresh outbreaks due to winds. The fire started a quarter of a mile from the Louis Euer ranch and swept up the Frog Lake road and over the crest of the mountain divide before it was stopped by 50 men and bulldozers under the direction of Ranger E. E. Boehm and Fire Control Assistant W. F. Curran.

The 200-acre brush and timber fire near Hampshire Rocks on the Big Bend district was also controlled during the weekend.

A third fire, believed started by a deer hunter's fire just north of Boca, burned two or three acres Sunday before it was stopped.

Did you ever stop to consider the importance of your home trade dollar? Not only does it help to keep our town alive and progressive but it also helps indirectly to provide for better roads, schools, recreation facilities and many of the other "extras" that go to make an attractive and diversified community. When you trade at home you deal with friendly people you can know and trust. And you avoid the rush and confusion of big city shopping. Remember the future of our community rests on the power of your dollars. Use them wisely—use them at home.

It also launched the campaign to raise $15,000 for the building of the first unit of the chapel and educational building at the Wee Kirk grounds. Every Saturday from now on, all men who possibly can get to the grounds are asked to come to help get the first unit in shape before the snow falls.

Parents Protest Use Of Street By Big Trucks

Petition to County Board Asks For Zoning Ordinance

The Truckee Parents and Teachers Association is circulating a petition directed to the Nevada County board of supervisors asking that a zoning ordinance be enacted to prevent the use of Church Street between Bridge Street and Highway 40 from being used by heavy trucks.

They point out that the proximity of the elementary school creates an unnecessary hazard for children frequenting the street and urge that the trucks use other streets or Highway 40, which runs parallel to the street in question.

The petition points out that because of the location of Highway 40, the use of Church Street is unnecessary as a convenience for the truck drivers. Principal Arthur Eve of the elementary school told members of the PTA at the last meeting of that group that he had made an honest effort to get the truck owners to discontinue the use of the street as a parking area and lateral but had been unable to get the desired result.

Supervisor H. G. Loehr said he would be pleased to introduce the petition to the board at the next meeting if it is ready by that time.

Greyhound buses, which used the street for a while after the opening of the school, have discontinued and are now routed over Highway 40.

The petition being circulated excepts local delivery trucks from the proposed ruling.

Women Conduct Meet Of 20-30 Clubbers

Fifty-two members and guests were present Saturday evening when a ladies night was held by the 20-30 Club at Donner Lake Lodge. A novel meeting was held with Mrs. Kenneth Hedlund presiding, Mrs. Jack Ellis as sergeant at arms, Mrs. Ken Grayson as M.C. and Mrs. Hugh Weinand as junior.

The women conducted the program, presenting several interesting skits. The remainder of the evening was devoted to dancing. Visitors included two couples from Sparks and three from Lovelock.

A regular meeting was held at Cozzi's Wednesday. The club was informed by letter that night educational classes are to be conducted by the Tahoe-Truckee Unified School District if sufficient enrollment and interest is shown to make the project worth while. A variety of subjects will be made available with a minimum of 15 to a class.

Loren Ferdinand was program chairman and movies of the atom bomb tests at Bikini were shown.

Charges Dropped Against A. C. Nelms

Charges of aiding an escaped convict which had been lodged against A. C. Nelms, local logging company employee, were dismissed by Justice of the Peace R. N. Little at the request of District Attorney Vernon Stoll.

Nelms had been accused of aiding Charley Kennedy, alias Jack Reed, whose death in a logging accident three weeks ago revealed him as an escaped convict from a San Quentin prison camp in Yosemite. Nelms identified the dead man and told officers at the time that he was Kennedy, thus disclosing the fact that he was an escapee.

Nelms, the officers said, assisted Kennedy in securing work here with the knowledge that he was a convict.

A native of Truckee, Mrs. Whitten was born June 22, 1911. She attended the local schools and was well known throughout the area for her many charitable acts, always taking an active lead in Red Cross and March of Dimes drives as well as other such projects which came to her attention.

YOUTH PROBLEMS ARE DISCUSSED AT LOCAL SESSION

A group of adults and youths met at the Tahoe-Truckee High School last Thursday night to discuss problems of youth and ways and means of implementing a program to assist boys and girls in arriving at some solutions to their problems.

Rudy Abrecht, executive secretary of the mountain district of the YMCA and president of the national association of YMCA secretaries, was conference leader for the meeting.

There was a discussion concerning definite projects that can be done for and with youths. Abrecht suggested that projects and activities for out of school youth should be considered as well as for the school youth. Those present at the session agreed that it is necessary to set up a long term project which would include plans for study groups and a counselling program. It was also agreed that no community can solve its problems unless it is willing to study them continuously and has courage to continue.

Those present at the meeting beside Abrecht and his wife were Jack Miller, student body president at the local high school; Patsy Hicks, Dolores Danley, Mrs. Ray Scott, Mrs. Dave Rose, Mrs. Jerry Lewis, Miss Thelma Finger, Miss Virginia Angelo, Mr. and Mrs. Jim Gowing, Tom Sherritt, W. He and Mrs. Seymour lived there until 1940 when they went to Sacramento and he was employed at McClelland Field until 1945 when he retired.

SWANEE'S TAHOE LETTER

Tahoe City. October 16

Dear Tahoeites:

Another Tahoe man has been notified to get ready for return to duty. He is James Easton, who resides in Pineland with his wife and a brand new daughter, born Sunday night in a Reno hospital. Jimmie right now is engaged in trucking between Reno and Los Angeles. He rose to the rank of commander in the Navy during the last war and underwent some terrifying experiences, such as having several ships shot out from under him. He suffered severe injuries at various times, but came out as good a man as ever. Last Friday he went down to Navy Reserve headquarters in San Francisco to talk things over with his superiors and believes it will not be long now before he gets his papers.

The latest letter from PFC Howard Carnell was received by Maizie Carnell and it was long and newsy. He is proud to be a member of the Marine's "fightingest" outfit. He is driving ambulance and appears to a mighty busy boy. Says he doesn't have much time for writing letters but is powerful glad to receive them. He has acquired a Russian rifle for his brother Richard which he is hoping to get sent home and a peep sight from a Korean rifle for himself.

Maizie Carnell on Monday morning had a most unusual experience. Seems there has been a little shepherd dog which has been around their house from time to time but always too wild to come in and eat or be petted. This morning the dog sat crying a short way from the house. Maizie went toward her and as she approached the dog started to run ahead. Maizie followed and found three darling puppies cuddled together. Two are black and one is brown. Maizie picked up the pups and the delighted mother followed as they were taken to the house and fed. After the mother saw everything was under control, she took off again. Maizie wants some one to take two of the pups as she can keep only one. They are about six weeks old, can eat out of a dish and should be darling pets for someone's youngsters. They are free for the asking but will not be kept long so anyone wishing one may contact the Carnells at Tahoe City 337. Maizie also heard again from PFC Don Prusso who wrote that he was up for interview and promotion but somehow all that brass confused him and he failed to make corporal. He's just as well satisfied with his present rating and hasn't lost any sleep over his failure to pass. Don is counting on coming up for the Lake Tahoe Ski Club's FWSA jumping and cross country meet February 10-11 and expects to carry home at least one winning place.

Deer season is over and there is many an empty larder this year, the poorest hunting season I can remember. Some saw a buck or two the last day or so but most of the hunters saw only doe and fawn. Jim Baker and Jim Morhain think they found the spot where some of the big fellows were hiding out. That was Watson Peak, the spot they chose for the last day for deer and bear. Baker saw one bear but could get only a poor and fleeting shot at it so decided it would be better not to wound it and let it ramble through the woods. They saw twelve deer in one herd, about half of them bucks but the glasses showed them too far for an accurate shot. They saw 22 deer during the day but only a few were bucks. Gerry Waters, who met the boys later, said he covered the far side of the same canyon and saw nary a deer. So it went, the deer were there, even a few bucks but they kept out of sight this year. Don Snyder and Pete Huega of Lake Forest went to Elko for their bucks, each getting a nice 180 pounder. Pete's was a four pointer and Don's a three-four pointer. Their neighbor, Walter Mandeville, was among those gettinga bear this year, three being killed by his party the same day.

Local residents made an excellent showing in signing the Crusade for Freedom Scroll which were placed in local stores and passed around by civic minded citizens of the communities. Mrs. Ruth Mayfield just came to my house and the lists must be sent off to Germany this week. Mrs. Phil Geier, chairman for the Crusade here, reported 152 signatures on the Scrolls here and contributions of $62.70 for Radio Free Europe. The Kings Beach area effort is separate. Mrs. G. wishes to publicly thank all who cooperated in the Crusade.

Saw Doug Smith in a local store last weekend and it seemed good to say howdy again. He says the wife and family in Auburn are fine and hope to be back at the lake for next summer.

Want to say a word or two for Ken Steddom of Tahoe Tavern Heights who is running for the office of county supervisor from the fifth district. Now is the time for action by the Tahoeites who want local representation on the board of supervisors at Auburn. Ken Steddom is not only a fine, upstanding citizen of excellent character and ability but he also has a keen interest in county and civic affairs and give his utmost to see that all of his district would get a fair deal in every possible manner. Support your local candidate by giving him your vote on November 7.

Ring off as a cold wind blows outside and raindrops spatter the porch. Winter can't be far away. Good luck, good health and happy landings to you all. As ever,

Swanee

The first fall meeting of the Kings Beach PTA took place on Thursday night, October 12 at Kings Beach school with Mrs. Peggy Mandeville presiding and was the setting for the official investiture and installation of Boy Scout Troop No. 31. Del Raby, field excutive, Tahoe Area Council, delivered the pledge while Paul Griffith, district commissioner, pinned badges on the seven local boys who successfully passed the tenderfoot tests. Scoutmaster George Rutledge stood with his boys as Jimmy Crawford, Clyde "Buster" Mandeville, Dick Rood, Jay Mandeville, Dale Rutledge, Dick Mandeville and Jack Van Hooser became full-fledged Boy Scouts. Buster Mandeville became an Explorer at the session, having reached the requisite age of 14.

There will be a special meeting later at which Charles Chubb will talk on parent-teacher cooperation and will endeavor to acquaint parents with the new methods now being used in our educational institutions.

Mr. and Mrs. Durward Ford and children Bobby and Linda, from North Hollywood, will make their home in the Charrison place this winter. Ford, who is employed here, is a nephew of C. O. Scharder, who now owns the former Dick Boyce home.

Bob and Mae Critchley with their two daughters are vacationing in Washington, Oregon and parts of California before settling down for the winter.

Floyd and Alice Davis closed their service station at the Truckee shortcut last Friday, moving to Auburn where Davis has employment for the winter.

Maxine Polzin is visiting in Houston, Texas. Having closed their cottages for the winter, Bud has found work in Reno. The Polzins came to Tahoe last winter from Merced.

Women's Society of Christian Service held Bible study at the home of Mrs. Harried in Kings Beach on October 17. Next meeting will be at the home of Mrs. Henry Chanda, Tahoe Vista, with Mrs. A. Blaue co-hostess.

Friends of Mrs. Anna Blaue felt concern for her welfare when she could not be reached by telephone nor found for a few days last week. The globetrotter had trotted over to Reno to visit her friend, Mrs. Jack Bell, failing to remind her friends of her intent.

Mr. and Mrs. Fred Wade of Lazy L Court plan to close for part of the winter.

Bill and Bonnie Bates left this week for their home in Missouri.

Your Kings Beach laundromat service will be available on Mondays, Tuesdays and Wednesdays during the "off season" months.

My Place In the Sun

by DOUG BARRETT

Henry F. Clouette, up visiting Frank Kearney, dropped into our shop for a very interesting visit to me, at any rate.....Clouette first came to Truckee in 1882 and spent his early years here.....recalling numerous murders, duels and the evacuation of the old China town south of the river.....he worked as a lad in 1886 for the old Truckee Republican, then located near the back of Joe Mattos' building.....came out twice weekly then, Wednesday and Saturday.....Clouette did the janitor work and odd jobs around the shop and delivered papers to subscribers.....all for the munificent recompense of $1 per week.....the equipment all was operated by brute force and consisted of an old Ben Franklin press and a foot power job press all type was set by hand by Bill Cross and Otty Walcott..... A. J. Mason was the publisher and each edition consisted of two pages printed elsewhere and two printed in Truckee.....Am told that Loren Vertner has reenlisted in the Air Force and is stationed at Hamilton Field....and Howard Henderix is with an anti-aircraft unit at Fort Bliss, Texas.....Al Pfaendler says he hears that Augie Esola is very sick in a Sacramento hospital....The state highwaymen moving mountains to provide drainage on the Church Street approach to Hwy. 40.....on the team this week are Art Kehm, Red Alexander, Al Ayala, Hes Cardinal, Abe Bertolozzi and John Collier.....with occasional supervision from Bob Luck and Tom Buell.....and the scrutiny of Cecil Edmunds and Pinky Tonini who are more than somewhat interested in the water lines revealed by the ditch.....

Visits Kin—

Mrs. Minnie Griggs of Santa Rosa is visiting her brother and sister-in-law, Mr. and Mrs. Guy Morrison, at Floriston. Other recent guests of the Morrisons were Miss Anna Perry, Santa Rosa, and Mr. Glen, Petaluma.

Scholarship Benefit Is Successful

TAHOE CITY—More than $400 will be realized from the benefit showing of Lost Horizon on October 10 at Brockway by the Tahoe-Sierra branch of the American Association of University Women, according to Mrs. Marion Rustad, chairman of the affair. This was the second annual benefit given for the Bliss Hinkle Memorial Scholarship Fund for students of the Tahoe-Truckee district.

Excellent response was given by residents of the area with the largest single donation, $25, coming from the Brockway Rotary Club. The first show was packed to the doors, many being turned away until the second show. The AAUW thanks all who contributed so generously to the success of the venture.

Three Little Lasses Born to Tahoeites

TAHOE CITY— Three new babies have arrived to add to Tahoe's populace.

One was a the 7 pound 9 ounce daughter born October 11 at Reno to Mr. and Mrs. Carlton Came of Lake Forest.

On Sunday night, October 15, a little daughter was born to Mr. and Mrs. James Easton of Pineland in Reno. She tipped the scales at 6 pounds 4 ounces. Mrs. Gerda Kvistberg, great grandmother of the latter newcomer, is on hand to care for her first great grandchild.

Mr. and Mrs. James W. Quinn welcomed their first daughter and second child, born in Reno at an early hour Monday, October 16. The baby's birth weight was 6 pounds 6 ounces and her father thought her given name will be Colleen when they make their decision.

Mr. and Mrs. Harold Reed of Laguna Beach visited with Loren Holmwood at the Imon Mitchell home in Sunnyside last weekend.

Mr. and Mrs. George Mortimer of Tahoe Park have closed their summer home for the winter and returned to their Sacramento residence.

Mrs. Petric Transfers To Reno Office

TAHOE CITY— Mrs. Viola Petric of Tahoe Pines, Tahoe City telephone operator who for the past two winters was winter supervisor at the local office, will report for work at the Reno office of the telephone company on next Monday morning. She has taken a permanent transfer to Reno, where she and her husband have taken an apartment. Mrs. Ruth Bowman of Tallac has taken over the telephone office for the winter season.

Cowell at Guam—

Mrs. Fred Cowell of Redlands is visiting old friends at Tahoe City, including Mrs. Stella Watson and the C. W. Vernons. Her husband is employed at Guam.

The modern strawberry was unknown 200 years ago.

Weather Still Balmy In Tahoe Area

TAHOE CITY— The level of Lake Tahoe Monday morning was 6225.51 with 331 CSF of water leaving the gates in town. Last precipitation was on October 5 with .44 of an inch. The maximum and minimum temperatures were: Oct. 13, 72-35; Oct. 14, 68-37; Oct. 15, 64-33; Oct. 16, low 42 degrees.

Alone for the first time in a city...and no one to meet her. Then teen-age Jane, nearly in tears, saw a telephone.

THE DAY JANE DAWSON NEEDED A FRIEND
(And found Telephone Operator 11)

1. One of the first calls Operator 11 handled that quiet Sunday was from a public telephone in Union Station. "I missed my train connection and I've just got to reach my brother Mike," said a small voice. "He's with the Navy in Port City but I don't know how to call him." Operator 11 had heard such voices before. And as she said, "We'll find him," she was ringing an operator forty miles away.

2. Didn't take Mike long to reach his sister after he'd been paged at the Port City station where he was nervously waiting. After he'd picked her up, Jane said, "That operator was so understanding. I don't know what I would have done." And later on her mother thanked Operator 11 in a letter to us which ended..."and I'd like to pin a medal on her. I'll never meet that operator. But she is our friend."

3. An unusual story? Not at all. We get many letters telling how our operators do their best to get the call through...no matter what. And we hear good reports about our linemen, installers, service representatives and others who meet the public directly. We like to receive these letters. For they tell us that you recognize "the spirit of service" . . . so much a part of telephone work . . . so important in making your telephone ever more valuable to you.

Tarzan

by EDGAR RICE BURROUGHS

AS TARZAN WANDERED IN AN UNFAMILIAR JUNGLE, HE CAME UPON A SCENE THAT MADE HIM QUESTION HIS EYESIGHT! A BRIGHT YELLOW PANTHER ATTACKED AN EQUALLY YELLOW NATIVE GIRL!

TARZAN SNARLED A WARNING AS HE LEAPED TO SAVE THE WOMAN. THE PANTHER LOOKED UP IN SURPRISE, THEN ANSWERED THE CHALLENGE WITH BARED FANGS!

POWERFUL SINEWS CLAMPED AROUND SHEETA'S NECK AND DEATH CAME QUICK AS THE APE-MAN'S KNIFE STRUCK DEEP.

IN A MOMENT A BLOOD-CURDLING SCREAM RESOUNDED OVER THIS STRANGE LAND--THE VICTORY CRY OF THE BULL APE!

THE GIRL SHRANK BACK, THINKING THE ENCOUNTER HAD DRIVEN HER RESCUER MAD—

-BUT THE APE-MAN'S SMILE QUICKLY GAVE HER CONFIDENCE, "I AM LUSHA, PRINCESS OF THE COUNTRY AMBERA." THEN SHE HESITATED, "BUT THERE IS NO TIME FOR EXPLANATION— YOU ARE IN GRAVE DANGER!"

-AND AT THE SAME MOMENT A HEAVY SPEAR WHIRRED TOWARD TARZAN WITH DEADLY ACCURACY!
